EYs Epping Forest Trip

It was Early Years second trip to Epping Forest this week.

Afternoon Nursery and Butterfly Class had a lovely day outdoors in the fresh air. It is amazing how much enjoyment the children (and adults!) got from climbing trees, making dens, throwing leaves in the air and wading in the mud. We have used the experience to draw some amazing pictures and do some lovely writing about the forest, look out for it in class.

“It was the best trip ever!” Tahlia in Butterfly Class
“I liked collecting leaves, it was fun. We threw them in the air and they went over everyone” Kavalli in Bumblebee class.

Thank you to all the parents who came to support. Your help is greatly appreciated and makes the day enjoyable for everyone. So if you've got a free day during the Easter holidays Epping Forest is well worth a visit.

The next Parent Conference will be on Friday 26th April 2013

Don't forget— Sue Palmer, author of 'Toxic Childhood' who will have powerful messages for all who are bringing up children in 21st century will be a guest at this exciting event. So... **DO NOT MISS THIS.** More information to Follow.

Ergis's Joke of the week

Why is it so hot in a football stadium after a football match?
Because all of the fans have left!

Message from the School Council

On Thursday 28th March we will be holding a non-uniform day. It will cost £1 per child or £1.50 per family. Please take part in this fantastic event as the money raised will be put towards a new climbing frame.

Be the Best You Can Be

Yesterday (Thursday 20th March 2013) we held our closing assembly of the 21st Century Legacy — Be the Best You Can Be! Programme. It was an opportunity for the children to reflect on the programme and celebrate their achievements. Our special speaker—World, European Judo Champion and Paralympian, Ian Rose was inspiring. He told the children his story from a teased 7 year old with low self esteem, to World Champion in his sport. He described how he got there and the highs and lows along the way and afterwards visited each class for question and answer sessions and a photo opportunity.

Year 1 (Puffins and Robins) showed their excellent film describing their progress in learning to skip and Chinwenwa from Year 4 made a power point speech about learning to swim underwater that also inspired us all.

Easter Raffle

Our Easter Egg Raffle is being held on Thursday 28th March, please return your tickets and money to the School Office. Your support is much appreciated.

Attendance & Punctuality

Still a slight dip again in attendance but still remaining good at 95.46%. Our classes not hitting the 95% target are the same as last week— Sparrows, Wagtails, Magpies, Eagles and Kites. Skylarks have also now dipped below the 95%.

Our best attenders this week are Kingfishers : 100%. Well done.

Well done to Kingfishers and Sparrows for their punctuality—they have all scored zero this week so they jointly share the Early Bird Award.

Have a good weekend everyone from all at Keys Meadow.
