Diary Dates

Friday 26th April - Parent Conference with Author of 'Toxic Childhood' Sue Palmer

Welcome back to the Summer Term. It has been a long, cold winter and it is really nice to feel some warmth again. This half term is always busy—especially for Year 6 who will be undertaking their end of Key Stage Two tests (SATs) and final assessments before they transfer to Secondary School. It is really important that they attend well and work particularly hard over the next few weeks. They also need to think about sleeping well, eating well and exercising so that they are fit and focused for this key period in their education.

Other than that we look forward to all that the final term of this academic year brings.

Macbeth

The Year 5&6 'Macbeth' project is now underway. The children had a successful visit to the Dugdale Theatre in Enfield Town, where the play will be performed, on Tuesday to look around and familiarise themselves with the Theatre. We'll keep you posted about the project's progress and hope you will get a chance to see it.

St George's Day

Is next Tuesday 23rd April—children who are members of scouts, cubs, guides or any other uniformed organisation are welcome to wear their uniforms on that day.

Lift Off Phase Reading Club

started this week on Tuesday and had a great response with lots of parents and children spending some quality reading time together. The next club meeting is next Tuesday at 3.30pm in the Nursery.

Dinner Money
Payable every Monday
£10 per week

School Uniform
Sold every Tuesday
Morning
8.30am - 9.00am

SAD NEWS

Our thoughts are with the family of Toun Michaud who died suddenly in the Easter holidays. Toun was employed by the Foundation Stage Support Team and worked alongside the children in Bumblebess.

→ DON'T FORGET!

Checking to see if the School is open and other information

We have various ways of communicating to our parents when we are unable to open the school for any reason, usually by text or posting a message on our website. Sometimes these methods can be heavily used and it can cause delay in you accessing the information you need.

There is a service 'OpenCheck' which is designed to cope in such situations and can be accessed using the following website: www.opencheck.lgfl.net

You will then need to select the borough from the dropdown menu (Enfield) and then our school name and a message appears regarding our status.

We will incorporate this website on our weekly newsletter so you always have it close to hand for reference.

Bake Sale

Thanks to parent Council for baking and selling their wonderful cakes and thanks to you the parents for helping to raise £147.86 by buying them.
Many, many thanks.

Volunteers Required

If you have any spare time, however short, and would like to volunteer in school you would be most welcome. We have several reading and maths support programmes that are easy to deliver and show a positive impact on the children's progress. We have staff who are able to offer training and advice so please speak to Mrs Proctor if you are interested and would be willing to offer the children some of your time.

End of Year Reports and Learning Review Day

We have decided not to hold the final Learning Review Day of the year in July but will send home a report with an invitation to arrange an opportunity to discuss it with the classteacher if it is needed. More information will follow about the format of the report and will be sent out later.

If however you are ever concerned about your child's wellbeing or progress at school do not leave it until the Learning Review Meeting, please make an appointment at the earliest opportunity to discuss your worries with a member of staff. Please look out also on the website: www.keysmeadowprimaryschool.co.uk or the hard copy sent home of the class Termly overview—this will let you know what areas have been covered each term.

ENFIELD ARTS SUPPORT SERVICE (EASS)

Instrumental and Vocal lessons
AUTUMN TERM 2013

Application forms should reach EASS by
Friday 14th June 2013

You can pick up a form at the School
Office.

Ergis's Joke of the week

Why did the toilet roll roll down the hill?

Because it wanted to get to the
bottom!

Have fun and a great weekend from all at Keys Meadow
