Issue no. 30

Year 6 SATs (Standard Assessment Tasks and Tests) take place next week. The children (and their teachers!) of Falcons and Kites have worked very hard preparing for them and we wish them well. A restful weekend would help prepare including a particularly good night's sleep on Sunday night.

If you have a child in Year 6 please make sure your child gets into school early on those mornings next week so that they have time to settle and prepare. We are sure our Year 6 will engage well with the test and do their very best.

Year 5 Trip

On Tuesday Year 5 made the most of the late spring weather by enjoying a trip to London Museum, Docklands. The visit was originally planned during their Victorian topic, so they learnt more about what life was like in the Victorian London Docklands. The trip was topped off with an exciting journey along the Thames on a Thames Clipper, allowing the children to see many of the famous London landmarks. "The trip to London was the best day out I've had in ages and the learning was really interesting as well," explained Chiraze.

School Council

On Wednesday Jamel and Nana Ama, two of our Year 6 School Council members attended the Millfield Theatre for the 'Say It Like It Is' event. The event gave us the opportunity to meet other School Council members and share experiences. We met the Mayor and the Director of Schools and Children's Services and had discussions around our hopes and aspirations for the future.

"It was a good experience and we enjoyed meeting other councillors."

Ergis's Joke of the week

Why couldn't the chicken cross the road?

Because some idiot left his chewing gum on the pavement and it got stuck to his little chicken feet and sadly, he got run over!

Have fun and a great weekend from all at Keys Meadow
