#### Prescribed Medication

If your child requires prescribed medication regularly such as an inhaler or epi-pen this must be available in school at all times. Please ensure that your child's medication is in school and has not passed its expiry date. Thank you.

#### Online Safety

Keeping up to date with what your children are doing online can seem daunting. Technology is constantly advancing and sometimes parents feel that their children know more about the internet than they do. Please turn over for some helpful information and what we are learning about this term.

#### Attendance

Well done to Falcons for 98% attendance this week. Punctuality needs to be improved with 60 late disruptions. Please ensure your child is in school on time to start the day off bright and eager for the days learning.
